"Great service! You arrived when promised, responded quickly and took everything we needed to have recycled."

CORPORATE AND COMMUNITY RECYCLING FOR A BETTER WORLD

GreenMouse Recycling is approved by the State of California (EPA # CAR000203497 and CEW # 103153) to provide electronic waste recycling services to businesses, schools, non-profit organizations, and government agencies.

We provide our customers with confidence that their end-of-life equipment will be recycled according to the rules and regulations set forth by the State of California. Further, GreenMouse Recycling is committed to adhering to the responsible recycling "R2" guidelines, which are voluntary practices used to assess and certify electronics recyclers' environmental, health and safety, and security practices.
